

Boat Launch Inspection Form / Permit

Staff Complete This Section Has the vessel owner or operator launched or moored the vessel in any of the following bodies of water: **Lake Mead, Lake Havasu, Lake Mohave, and Lake Skinner, any waterway south of the Tehachapi Mountains, any waterway outside California,** or any waterway on the indefinite ban list?

NO YES If Yes, Where & When _____

Vessel Operators Complete This Section This form is required along with passing a physical inspection of the watercraft before you may launch into Pinto Lake. Motorized vessel operators must provide valid vessel registration. A valid CF #, registration and Mussel Paid Sticker must be demarcated on the hull. Non-motorized watercraft operators must provide a valid Driver's License. Failure to comply with inspection or boating rules may result in revocation of your boating permit and you may be subject to citation and/or eviction from Pinto Lake Park.

Location(s) and Date(s) Vessel was last operated (last 30 days)	Annual Pass Holder? (circle)

Vessel Operator Information			
Name:			
Address:		Phone#:	
City:	State:	Zip:	County:

I attest to the truthfulness of the information that I have submitted on this form and I voluntarily consent to an inspection of the boat and trailer currently in my possession by the City of Watsonville, or designated agents, for the sole purpose of detecting invasive aquatic species. I certify that this vessel is safe to board and that there are no known hazards that may injure inspection staff. Furthermore, I understand and agree to comply with the following rules for Boating in Pinto Lake:

- Speed Limit is 5 mph on the entire lake
- Boats must be off the lake by the posted time.
- Life vests are required for each person in the boat.
- Children under 13 must wear life vests at all times.
