MANDATORY WASTE REDUCTOIN AND RECYCLE FOR ALL EXHIBITORS, CONCESSIONAIRES, VENDORS

In an effort to address environmental concerns, reduce waste-related expenses, and promote an environmental ethic to the public, the City of Watsonville maintains a policy of mandatory waste reduction and recycling for all exhibitors, vendors, and concessionaires. Violation of the policy can be grounds for revoking your participation in this event.

POLYSTYRENE PROHIBITED

City ordinance (W.M.C. Sec. 6-6.102): Food vendors are prohibited from serving prepared food in or on food service ware that contains polystyrene or other plastic foams. Food providers must use food service ware that is biodegradable, compostable or recyclable. Acceptable food service ware includes: paper, cardboard, cornstarch, sugarcane, and all types of plastic except polystyrene or other plastic foams.

WASTE REDUCTION REQUIRED

Food vendors are encouraged to use the least amount of packaging and food service ware possible to reduce garbage generations. For example, an inexpensive paper plate creates much less waste than a clam shell container. When purchasing supplies for use at this event, please look for products made from recycled-content materials.

RECYCLING REQUIRED

Vendors are REQUIRED by State and local law to recycle: cardboard, clean paper, newspaper, program flyers and advertisements, glass, metal, all plastics except polystyrene and other plastic foams, clean shrink wrap and film plastic using City-provided containers.

Please break down (flatten) all corrugated boxes and keep them in your vendor area for pickup by facility staff, or place them in any recycling bin marked "cardboard." Do not place them in public view or in walkways. Non-corrugated cardboard (thin cardboard) can be flattened and recycled along with the corrugated cardboard. Food contaminated cardboard is not recyclable

LITTER MONITORING AND REMOVAL

Vendors are REQUIRED to monitor the area surrounding their booth for litter, garbage and recycling problems. Vendors should remove litter immediately and regularly. If problems are noted with garbage or recycling containers, vendors must notify the event coordinator immediately.

GARBAGE

Food waste should be placed in the garbage. Also, plates, bowls, etc that contain leftover food should be placed in the garbage. Paper cups and plates go in the garbage. Plastic (non-polystyrene) cups, plates, utensils without food residue can be placed in the recycling containers.
