1. Remain

- Take no action - Keep the bust where it is and do nothing else.

2. Remain with Plaque

- Keep the bust where it is and add a plaque that tells a broader history of GW

3. Relocate

- Move the bust to be displayed in another location (potentially City Hall, Library, PV Arts). Could also add a plaque.

4. Remove

- Remove the bust and do not display in anywhere (could be returned to the Alaga Family or kept by the City for safekeeping).

Potential Additional Actions

- If the bust is removed...Replace it with a statue of a different historical figure
- If the bust remains...Add additional statue(s) of other historical figure(s)

*Both of these additional steps would require funding (The GW Bust cost \$70,000 in 2000)
